

IJSSE welcomes submissions in any of the seven categories (i) Research Article (ii) Research Note (iii) Research Essay (iv) Research Commentary (v) Theory and Review Article (vi) Issues and Opinions (regional or global) (vii) Case Report. The journal is an interdisciplinary periodical that welcomes submissions from scholars in business disciplines (e.g., accounting, finance, management, marketing, MIS) and from other disciplines (e.g., economics, political science, entrepreneurship). Manuscript for this journal should be prepared in line the [manuscript preparation guideline](#) of the **IJSSE**.

Any manuscript submitted to any journal must not already have been published in another journal or be under consideration by any other journal. Manuscripts of papers presented at conferences can be submitted unless they have been published as part of the conference proceedings in a peer reviewed journal. Authors are required to ensure that no material submitted as part of a manuscript infringes existing copyrights, or the rights of a third party. Authors who publish with **IJSSE** need to transfer copyright to their work to **IJSSE** to make it open access paper to the global readers.

IJSSE follows double blind review with respect to contributors and reviewers; however, it is possible that a reviewer may have seen an earlier version of the research in the form of a conference paper, a paper presented at a research seminar, or a working paper. The editorial board is aware of author identity.
